For all crew who have stayed in any countries outside China during the 21 days prior to arrival in Hong Kong, whilst laying over in foreign ports:

1

a) they must self-isolate at the hotel room arranged by the airline for the duration of their stay; and

⁽b) point-to-point transportation must be arranged by airlines between airports and the place of accommodation. Crew members should wear masks during the entire journey to and from the airports.

Air crew who have (i) served on a turnaround freighter/turnaround passenger flight and have NOT left the aircraft during stopover at any port(s) outside Hong Kong throughout a duty flight; or (ii) temporarily left the aircraft for necessary technical and operational tasks and remained at the airside of the airport concerned with no direct physical contact with local ground staff during stopover at any port(s) outside Hong Kong are not be deemed to have stayed in the port(s) concerned. They are still subject to arrival test, subsequent testing and medical surveillance upon arrival in Hong Kong.

Please refer to the "List of COVID-19 Vaccines Recognised for Specified Purposes" on the "COVID-19 Thematic Website" at https://www.coronavirus.gov.hk/pdf/list_of_recognised_covid19_vaccines.pdf for details of recognized vaccines for such purpose and relevant dosage requirements.

Group A1 specified places to include Brazil, Nepal, India, Pakistan, the Philippines, and South Africa (as at 12 May 2021). The latest latest details of the categories of specified places under Cap. 599H can be found on the "COVID-19 Thematic Website" at www.coronavirus.gov.hk/eng/high-risk-places.html.

Group A2 specified places to include Ireland and the UK (as at 12 May 2021).

Group B specified places under the existing Group B (except those moved up) including Bangladesh, Belgium, Canada, Ecuador, Egypt, Ethiopia, France, Germany, Indonesia, Kazakhstan, Romania, Russia, Switzerland, Turkey, Ukraine, the UAE, and the US (as at 12 May 2021).

Group C specified places include any country that is not a Group A/B/D place (as at 12 May 2021).

⁸ Group D specified places include Australia, New Zealand, and Singapore (as at 12 May 2021).

Means either the Headland Hotel or the Hong Kong SkyCity Marriott Hotel

Air crew members are not allowed to operate during the self-isolation period at the Designated Quarantine Period. They are allowed to operate during the remaining medical surveillance period after leaving the designated quarantine hotel.

Except exempted layover ports include Anchorage in Alaska of the US, Australia, New Zealand, Singapore, South Korea, Japan, and/or Thailand (as at 12 May 2021). Local CC (not vaccinated) from these exempted ports will be exempted from self-isolation upon arrival in Hong Kong before entering the local community. They will still be subject to 14 or 21-day medical surveillance and undergo repeated testing upon their arrival in Hong Kong.
