

Dear colleagues and friends

I write to you ahead of the upcoming AsBAA annual general meeting (AGM) 2019, an event at which I will stand down as Chairperson of AsBAA, having served a two-year tenure. After a challenging and highly rewarding two years, the time has come to pass the baton to the next leader of the association. I now call upon each member to consider running for this important position on 11 June 2019 at the AsBAA AGM in Singapore.

I am enormously grateful for the support that has been given to me personally, and to the association during my time as its leader. As I transition from AsBAA Chairperson into a Board of Governor's (BoG) role, I give sincere thanks to all that have given time, resource and commitment to AsBAA.

AsBAA is a volunteer led association. Every other year at the AGM, AsBAA members elect the new Board of Directors (BoD). As of 11 June 2019, five individuals will be elected to the BoD. A chairperson will then be appointed among the group, along with professionals across the region that make-up the Board of Governors (BoG). The BoG supports the BoD with the daily running of the association including government relations, corporate social responsibility, finance, marketing, public relations, events, and other business functions. BoD positions are now open to nominees from the membership.

Looking ahead, the association will continue to move at great momentum to represent the needs of the industry in Asia. The pillars upon which AsBAA is built remain firm: Advocacy, Representation, Community. The first is the area of work that includes government liaison, lobbying, public relations and strategy. The second ensures that our member's needs are heard and addressed, both at a regional and country level. The third pillar, community, is the commonality that we share; a mutual purpose to create an environment in which business aviation can thrive in Asia.

On behalf of the association, I urge you to consider your part in the industry's development in Asia. If you are able to play a larger role, as part of the AsBAA Board, and wish to be nominated for a leadership position, please get in touch with [Cathy Chiu](#) before 24 May.

I warmly invite you to attend the AsBAA events in Singapore this June. These include, the third annual AsBAA Singapore Safety Day on 10 June, the AGM and elections on 11 June, and AsBAA's inaugural static display and community event, AsBAA Takes Off on 14 June. If you have not already registered for these events, which are all complimentary, please do so by [clicking here](#).

Please help to support your association by sponsoring and/or registering as soon as possible. Doing so takes just a few moments through the AsBAA website, the official EventBank site or by [getting in touch](#).

Finally, I wish to once again express my sincere gratitude to AsBAA members for your support during my time as Chairperson. I also take this opportunity to wish the incoming Chairperson my complete support.

We look forward to hosting you in Singapore this June.

Best regards

Jenny Lau, Chairperson, AsBAA
